Read—the following paper:—

Office Memoranda of the Government of India, Ministry of Home Affairs, No. 25/48/52–Ests., dated 11th October 1952 and 31st January 1953.

Order—No. 3284, *Public (Services), dated 23rd December* 1953.

The Bharat Sevak Samaj is an All-India non-official and non-political organization started at the instance of the Planning Commission with the object of enabling individual citizens to contribute in the form of an organized co-operative effort to the implementation of the National Development Plan.

The Government of India are of the opinion that, in view of the non-political non-sectarian character of the Samaj and the nature of work in which it is engaged, Government servants should, if they so wish, be encouraged to join the organization and to participate in the activities provided that this can be done without detriment to the proper discharge of their normal official duties. The Government of Madras accordingly permit Government servants wishing to join the Bharat Sevak Samaj, freely to join it after consulting the Head of the Department or the Government and to participate in its activities. It is hereby made clear that participation in the activities of the Samaj should not be permitted to interfere with the due discharge by Government servants of their official duties and that this permission does not absolve them from the observance of any of the rules and instructions relating to their conduct and behaviour.
